ABOUT US

MUHSAD GLOBAL CONTRACTS LIMITED is a Nigerian limited liability company engaged in construction, civil engineering, building development, project planning, renovation, contract project execution, real estate management, property management and logistics services.

The company is positioned to provide practical, reliable and professionally managed solutions across the construction, infrastructure, property and development sectors. Our operations are driven by a commitment to quality workmanship, efficient project delivery, responsible resource management and long-term value creation for our clients and partners.

We understand that successful projects require more than construction expertise. They require proper planning, competent professionals, effective coordination, cost consciousness, quality control, timely execution and a clear understanding of the client's objectives. **MUHSAD GLOBAL CONTRACTS LIMITED** brings these elements together to deliver projects that meet defined specifications while creating sustainable value.

Our multidisciplinary approach enables us to participate in projects from the initial planning and development stage through construction, renovation, completion, property management and associated logistics.

VISION

To become a trusted and respected Nigerian development and investment company recognized for excellence in construction, infrastructure, property development, project management and integrated business solutions.

MISSION

01 Delivering projects that meet agreed specifications, quality standards and client expectations.

02 Building long-term relationships with clients, consultants, suppliers and strategic partners.

03 Creating sustainable value through property development and investment opportunities.

04 Adopting modern methods, technologies and project management practices.

OUR CORE SERVICES

MUHSAD GLOBAL CONTRACTS LIMITED provides an integrated range of services across construction, engineering, property and logistics.

01

Construction Services

We provide general construction services for residential, commercial, institutional and other development projects.

Our construction activities include project execution, site coordination, building works, structural works, finishing works and associated construction activities.

02

Civil Engineering

Our civil engineering services support the development and maintenance of essential infrastructure.
These include:

- Civil works and infrastructure development
- Earthworks and site preparation
- Drainage and related infrastructure
- Roads and associated works
- General civil engineering projects

03

Building Construction

We undertake building construction projects from planning and preparation through execution and completion.

Our capabilities cover residential, commercial, institutional and mixed-use developments, subject to project requirements and technical specifications.

04

Project Planning and Management

Effective planning is fundamental to successful project delivery. We provide project planning and coordination services designed to establish clear project objectives, timelines, resources and execution strategies.

05

ICT & Office Equipment Supply

We provide supply, installation and support of ICT and office equipment for residential, commercial, institutional and other organizations.

Such as computer hardware and accessories, networking and communication equipment, office electronics and appliances, software solutions, and general office equipment supply, and maintenance.

06

Property Management

We provide professional property management support aimed at maintaining properties, improving operational efficiency and protecting the long-term value of real estate assets.
Our property management activities may include property supervision, maintenance coordination, tenant-related support, facility coordination and property performance monitoring.

WHY US

Choosing the right development and construction partner is critical to the success of any project. **MUHSAD GLOBAL CONTRACTS LIMITED** combines technical capability, project coordination and business discipline to provide clients with dependable project solutions.

Professionalism

We approach every assignment with professionalism, accountability and attention to detail.

Quality Focus

We prioritize quality throughout project planning, procurement, execution and completion.

Value for Investment

We aim to deliver solutions that provide lasting value rather than focusing only on short-term project completion.

OUR EXPERTISE

MUHSAD GLOBAL CONTRACTS LIMITED has a multidisciplinary operational focus covering the complete project development cycle.

Construction & Building Development

Our construction capability covers building development, construction works, structural activities, finishing and associated project requirements.

Civil Engineering & Infrastructure

We provide civil engineering support for infrastructure and development projects, including site works, civil structures and associated infrastructure.

Real Estate & Property Management

We support property owners and investors with professional management and development services designed to protect and improve asset value.

Renovation & Rehabilitation

We provide solutions for upgrading, refurbishing and improving existing buildings and properties.

S
